Attached, please find the written testimony that was submitted at the NYS Senate Water Quality Hearing in Hoosick Falls on August 30, 2016.

Please note that not everyone who testified submitted their written testimony.

These documents, as well as the video of the hearing, will soon be available on the NYS Senate website, at the Health Committee page located [here](#).

If further written testimony is received, it will be posted at the same location.

Thank you for your interest.
